

Manx Loaghtan Sheep Breeders' Group

The Manx Loaghtan Sheep Breeders' Group works to promote this primitive rare breed of sheep, including their highly prized wool and tasty, lean meat.

Members attend shows around the country throughout the year and the group holds its annual show in Summer, to which all are welcome.

Please see our website

www.manxloaghtansheep.org

for further information about joining the MLSBG or to contact our Secretary.
